Tie Breaks Defaults & Retires
Instructions for Posting Scores

1st, 2nd or Full 3rd set (First to 7 by 2) Tie Break Reporting
When reporting a tie break score played after a full set, enter the score as 7-6

Match Tie Break in lieu of 3rd set (first to 10 by 2) Reporting
Report the actual tie break score in the score boxes (e.g., 10-7)

Default Reporting
Enter the names of the players who did not default; DO NOT enter names for the team defaulting. Enter NO scores. Place a checkmark in the small default box next to the team that defaulted. Do not place a checkmark next to the non-defaulting team.

Retire Reporting
Enter the players' names for both teams. Enter the scores exactly as played (e.g., 6-2, 3-1). Place a checkmark in the small default (retire) box next to the team that retired. Do not place a checkmark next to the non-retiring team.
